# ABOUT EXPO

Drone International Expo is India's premier platform dedicated to Drones, Unmanned Systems (Land, Aerial & Water), Counter-Drone Technologies, LiDAR, Geospatial Solutions, Artificial Intelligence, Air Mobility and etc.

With India fast emerging as a Global Drone Hub, the industry is poised to unlock massive opportunities. Drones are projected to boost India's manufacturing potential to USD 23 billion by 2030, revolutionizing sectors such as:

- **Defence & Border Surveillance** – enhancing situational awareness and security.
- **Disaster Management & Rescue** – enabling rapid response and relief operations.
- **Agriculture** – precision farming, crop monitoring, and spraying for higher productivity.
- **Logistics & Delivery** – ensuring faster, cost-effective, and last-mile connectivity.
- **Infrastructure & Asset Monitoring** – supporting inspection, mapping, and predictive maintenance.
- **Urban Development & Smart Traffic Management** – aiding city planning and mobility solutions.

The expo provides a powerful stage for manufacturers, technology developers, service providers, and innovators to showcase cutting-edge solutions directly to government agencies, defence forces, enterprises, and end users.

Serving as a hub for collaboration, knowledge sharing, and business growth, Drone International Expo is fueling India's vision of becoming the world's leading drone hub.
